

DANNY MCMASTER
IMPRESSIONIST/COMEDIAN

*When he was a little boy, his mum wanted him to grow up to be somebody.
He grew up to be everybody!
Danny McMaster is simply, a very good entertainer.*

A seasoned world traveller, Danny, one of the world's best impressionists, is now back in his native Australia performing after working the length and breadth of the USA. Whether it was headlining the

Hollywood Improv, Pasadena's "Ice House", the Las Vegas' Riviera Hotel or corporate gigs in **California, Florida, Washington, New York or Pennsylvania**, Danny's been doing it all. Now he's back home 'among the gum trees' domiciled in his hometown of the Gold Coast, ready to go.

Whilst in Hollywood, Danny did 'identical voiceovers' for the likes of **John Travolta** and **Robert DeNiro** ("15 Minutes" "Men Of Honor") and would you believe **Daffy Duck**? He also worked on "**Mission Impossible II**" with **Tom Cruise** doing Australian voiceovers. Represented by the exclusive **Tisherman Agency** in Burbank, Los Angeles, he was, and still is, in heavy demand.

In two separate corporate gigs, Danny entertained and rubbed shoulders with golfers, TV, recording and movie stars such as **Tom Watson, Gary Player, Lee Trevino, Tom Kite, John Daly, Joe Pesci, Justin Timberlake** (of "N'Sync"), **Samuel L. Jackson, Leslie Nielsen** ("The Naked Gun" series), the legendary sax player **Boots Randolph** ("Yakety Sax" – The Benny Hill Show theme), **Peter Marshall** (host "Hollywood Squares"), **Arte Johnson** ("Laugh-In"), **Gary Collins** ("Airport" with Dean Martin and George Kennedy, "Cleopatra" with Elizabeth Taylor and Richard Burton, "The Rainmaker" with Burt Lancaster) comedy legends **John Byner** (International impressionist) **Norm Crosby** (Vegas and "Jerry Lewis Telthon" co-host), **Tom Poston** ("The Bob Newhart Show") and **Bob Donner** (Excidor in "Mork And Mindy") as well as catching up with old mates **Ian Baker-Finch, Rodger Davis, Rod Pampling, Stuart Appleby and Robert Allenby** leading money winners on the USPGA and Senior circuits.

He has performed in front of Prime Ministers, Cabinet Ministers both federally and at state level, corporations, sporting clubs and functions (for just about anything) all over Australia, New Zealand, New Guinea, Asia and the USA. He's done numerous voiceovers for commercials on radio and television and performed on every major television show in Australia in a career that's gone over the 20-year mark.

He was the voice behind "**Australia's Funniest Home Video Show**" on Australia's Nine Network from 1990-1999.

His impressions include **Al Pacino, Sean Connery, Michael Caine, Christian Slater, Jack Nicholson, Christopher Walken, Robert DeNiro, Joe Pesci, John Cleese, Neil Diamond and Garth Brooks, Bill Clinton, George W. Bush**, together with the "**Crocodile Hunter**" **Steve Irwin** as well as the old Australian favourites like **John Howard, Joh, Stefan, Bob Hawke and Richie Benaud** and not forgetting the famous "**12 Days Of Christmas**". Please visit www.myspace.com/dannymcmastercomedy to hear this hilarious comedy routine.

He has opened shows for a number of overseas acts including **Don McLean** ("American Pie"), **Sammy Davis Jnr., Mary Wilson of "The Supremes"**, as well as our own, **The Little River Band** and **Marcia Hines**, to name a just a few. **Glen Shorrock (lead singer of The Little River Band)** says, "This guy is fantastic. He's funny...and...HE CAN SING!" And he adds, tongue-in-cheek, of course, his 'Joe Cocker' is not as good as mine."

If you want a polished entertainer, then, Danny McMaster is the man.
